**WHEREAS**, the nursing profession has a long and important legacy in our nation's history: from the moment a patient walks into a healthcare facility to the moment they leave, nurses are on call, tending to every need, comforting and healing to the best of their abilities and delivering compassionate care;

**WHEREAS**, in order to fully develop consciousness and understanding among other people on the importance and availability of nursing resources in the country, it is essential that a period be set for the observance of the nursing profession;

**WHEREAS**, on 17 October 1958, President Carlos P. Garcia through Presidential Proclamation No. 539 declared the last week of October of every year as Nurses' Week and authorizing the Filipino Nurses' Association to take charge in the observance thereof;

**WHEREAS**, an entire week is dedicated solely to the professional nurse – honoring them for the work they do, while also educating the public about the very important role nurses have in healthcare;

**WHEREAS**, recognizing nursing caregivers for the work they do and the contributions they make is vital. From delivering high-quality patient care to positively impacting society, nurses are imperative to the success of their organizations, profession and healthcare in general;

**WHEREAS**, the City Government of Muntinlupa through the City Mayor, the City Administrator, and the Members of the Sangguniang Panlungsod deemed it necessary to recognize and give tribute to our hardworking nurses, who selflessly dedicated their time, commitment, and resilience throughout the years of their service;
