<p>R.A. 9710-Magna Carta for Women Chapter 4 Section 9. Protection from Violence. - The State shall ensure that all women shall be protected from all forms of violence as provided for in existing laws. Agencies of government shall give priority to the defense and protection of women against gender-based offenses and help women attain justice and healing. Towards this end, measures to prosecute and reform offenders shall likewise be pursued. (a) Within the next five (5) years, there shall be an incremental increase in the recruitment and training of women in the police force, forensics and medico-legal, legal services, and social work services availed of by women who are victims of gender-related offenses until fifty percent (50%) of the personnel thereof shall be women. (b) Women shall have the right to protection and security in situations of armed conflict and militarization. Towards this end, they shall be protected from all forms of gender-based violence, particularly rape and other forms of sexual abuse, and all forms of violence in situations of armed conflict. The State shall observe international standards for the protection of civilian population in circumstances of emergency and armed conflict. It shall not force women, especially indigenous peoples, to abandon their lands, territories, and means of subsistence, or relocate them in special centers for military purposes under any discriminatory condition. (c) All government personnel involved in the protection and defense of women against gender-based violence shall undergo a mandatory training on human rights and gender sensitivity pursuant to this Act. (d) All local government units shall establish a Violence Against Women's Desk in every barangay to ensure that violence against women cases are fully addressed in a gender-responsive manner.</p> <p>Chapter 5 31. Services and Interventions. - WEDC shall be provided with services and interventions as necessary such as, but not limited to, the following: (a) Temporary and protective custody; (b) Medical and dental services; (c) Psychological evaluation; (d) Counseling; (e) Psychiatric evaluation; (f) Legal services; (g) Productivity skills capability building; (h) Livelihood assistance; (i) Job placement; (j) Financial assistance: and (k) Transportation assistance.</p> <p>Increasing trend in cases involving children than women</p> <p>R.A.7610-Special Protection of Children Against Abuse, Exploitation and Discrimination Act Sec3 (d) Comprehensive program against child abuse, exploitation and discrimination refers to the coordinated program of services and facilities to protected children against</p>	To address the immediate, safety and healing needs of women and children who are victims/survivor of abuse and violence	Center Based Program	Center Based Programs for VAWC Clients	No. of center based programs implemented = 12 No. of beneficiaries = 105 Women, 122 children (previous clients)	1,376 clients served where 526 are new clients while 850 are old active clients. <p>R.A. 9710-Magna Carta for Women Chapter 4 Section 9. Protection from Violence. - The State shall ensure that all women shall be protected from all forms of violence as provided for in existing laws. Agencies of government shall give priority to the defense and protection of women against gender-based offenses and help women attain justice and healing. Towards this end, measures to prosecute and reform offenders shall likewise be pursued. (a) Within the next five (5) years, there shall be an incremental increase in the recruitment and training of women in the police force, forensics and medico-legal, legal services, and social work services availed of by women who are victims of gender-related offenses until fifty percent (50%) of the personnel thereof shall be women. (b) Women shall have the right to protection and security in situations of armed conflict and militarization. Towards this end, they shall be protected from all forms of gender-based violence, particularly rape and other forms of sexual abuse, and all forms of violence in situations of armed conflict. The State shall observe international standards for the protection of civilian population in circumstances of emergency and armed conflict. It shall not force women, especially indigenous peoples, to abandon their lands, territories, and means of subsistence, or relocate them in special centers for military purposes under any discriminatory condition. (c) All government personnel involved in the protection and defense of women against gender-based violence shall undergo a mandatory training on human rights and gender sensitivity pursuant to this Act. (d) All local government units shall establish a Violence Against Women's Desk in every barangay to ensure that violence against women cases are fully addressed in a gender-responsive manner.</p> <p>Chapter 5 31.
