# QUALITY POLICY

We, the City Government of Muntinlupa are committed to:

- Provide fast, responsive, efficient, and effective public service with a smile to all our citizens and clients with integrity and accountable local governance;
- Promote the well-being of our empowered and God-centered citizenry by aligning the 7K Agenda with our Sectoral Goals on social, economic, infrastructure, and institutional developments, and environmental management;
- Comply with all applicable laws, regulations, and standards to ensure the ethical and responsible use of public resources; and
- Continual improvement of our processes through digital transformation, fiscal accountability, and civic participation to ensure our service delivery mechanisms are adaptive to community needs.
